Human Rights Commission FY2020 Governor's Recommend Budget

MISSION: The Vermont Human Rights Commission is the state agency having jurisdiction over claims of unlawful discrimination in housing, state government employment, and the provision of goods and services by places of public accommodation. The Commission has three statutorily mandated roles: enforcement, education and outreach and policy development.

Governor's Recommend Budget FY2020 (\$ thousands)

FY2020 SUMMARY & HIGHLIGHTS

- 10% increase in General Fund budget due to moving Administrative Law Examiners to the Staff Attorney Pay plan.
- HRC receives a grant from the Department of Housing & Urban Development (HUD) for investigation of housing discrimination cases. We have estimated receipt of \$75,291. The amount received varies each year.
- Staff of 5 Exempt positions including the executive director, executive staff assistant and three investigators.
- The HRC budget consists almost entirely of salaries and benefits and fixed operating costs; it has less than \$30,000 for variable operating expenses.

Mission

The mission of the Vermont Human Rights Commission (Commission or VHRC) is to promote full civil and human rights in Vermont. The Commission protects people from unlawful discrimination in housing, state government employment and public accommodations.

The Commission has done an excellent job in its core duties of enforcing laws, conciliating disputes, educating the public and providing information and referrals and advancing effective public policies on human and civil rights. However, the alarming stories of explicit racial discrimination and intimidation this past year reflect a State far from what Legislators envisioned when it created the Commission: a Vermont that is knowledgeable about human and civil rights, whose citizens are empowered in the pursuit of equal access, and where dignity, respect, equality and fairness are afforded to all.

To fully realize this vision, the Commission requires additional staffing and funding.

Key Initiatives

The Commission accepts every case that falls within its jurisdiction, meets a prima facie case of discrimination and is timely filed. In Fiscal Year 2018, the Commission accepted 70 cases for investigation. The Executive Director and three Administrative Law Examiners (i.e. Investigators) provide training to everyone who requests and pursues training in every settlement agreement. In Fiscal Year 2018, the Commission provided training to 874 people.

Enforcement & Conciliation- The Commission has seen a rise in difficult and complex public accommodations cases in recent years but nevertheless has been extremely successful in conducting thorough and comprehensive impartial investigations and determining whether there are reasonable grounds to believe that unlawful discrimination occurred in a case. Its success in large part is due to the Commission hiring experienced attorneys to conduct its investigations. This has significantly improved the quality of the investigations and investigative reports and the nature and quantity of conciliated agreements.

Key Initiatives

Education and Outreach –The Executive Director and Administrative Law Examiners (i.e. Investigators) provide comprehensive and dynamic training on Fair Housing Law, Implicit Bias, Bullying, Hazing and Harassment, Sexual Harassment and Service Animals. These trainings have been provided to state employees, housing providers, legal providers, social service agencies and more. However, most of these trainings have been in response to discrimination or independent requests for training. Currently, the Commission does not have a comprehensive strategic outreach plan and delivery method to promote inclusion, diversity and educate the public on anti-discrimination laws and equip the public with the tools they need to be effective bystanders in the face of explicit discrimination, intimidation and violence.

Policy Development- The Commission has been an integral part of the legislative session by providing necessary testimony on various legislative bills in addition to serving on task forces and legislative committees. In Fiscal year 2018, the Commission testified on the Pregnancy Accommodations Act, An Act Relating to Sexual Harassment, An Act Relating to the Mitigation of Systemic Racism, An Act Relating to Gender Neutral Bathrooms, An Act Establishing Homeless Bill of Rights and more. Additionally, Commission staff provided and continues to work with the Legislature on ways to improve its sexual harassment policy and process. The Commission continued its work with the various taskforces and committees including the Racial Disparities in the Criminal and Juvenile Justice System, Restorative Justice Consortium, AGO Immigration Task Force, Commission on Offenders with Mental Illness, Vermonters for Criminal Justice Reform, Governor’s Workforce and Equity Diversity Council, the Hazing, Harassment and Bullying Advisory Council.

Funding Levels

The Commission's budget consists almost entirely of operating costs, salaries and benefits for its five (5) FTE staff. However, the Commission has been unable to retain knowledgeable, experienced and qualified attorneys for long periods of time because attorneys at the Commission are not compensated as other attorneys are across the State of Vermont, despite having the same or similar legal duties and responsibilities.

A level funded budget is not sufficient to retain the current staff and add a much-needed Education and Outreach Coordinator to the agency. The Commission should be the authoritative voice for human and civil rights in Vermont and it has the potential to be a dynamic and effective leader in the pursuit of equal justice. However, its work has been significantly compromised by a lack of resources and funding. Since its inception, the Commission has operated under one of the smallest departmental budgets in the State with no provisions to increase its staff or resources.

Given the current climate with regard to civil and human rights at the federal level, the work of the HRC is vital to maintaining protections for vulnerable populations—immigrants and refugees, people with disabilities, people of color, and for our LGBTQIA community.
